

SPECIAL TOURISM BOARD MEETING – FEB 1ST, 2013

Meeting was called to order at 9:02 a.m.

Present were board members Jackie Wall, Marsha Paplham, Grace Evans and Sandi Beal. Commissioners Barb Venturi and Larry Summers were present as was Bill Wheeler from Nautical Wheelers.

The special meeting was called to consider spending \$150 to pay for a live radio broadcast for the Chinese New Year Running of the Dragon.

Discussion included what time to have the live broadcast and what would be included in the live broadcast. Sandi Beal reported that Axelson Chiropractic donated ½ case of fortune cookies to give out during the run and street dance. Sandi confirmed that the cookies had generic “wellness” fortunes inside and were not company specific but asked that we have the live broadcaster give recognition of their donation during his broadcast.

Marsha moved that the tourism board spend \$150 to hire the live broadcaster from Beasley Broadcast Group, Inc and that the live talent be present in Oriental from 3:00 p.m. to 5:00 p.m. Grace seconded the motion. Motion passed.

Meeting was adjourned at 9:10 a.m.
