

Town Board of Oriental  
Special Meeting Minutes- BUDGET  
May 17, 2017

The Town Board assembled at 8AM in Town Hall, with Mayor Sally Belangia, Commissioners White, Price, Winfrey and Mayor Pro Tempore Venturi.

When directed by the Board to pull the corrections suggested to the General Fund, the Manager's computer launched itself into an operating system update with no end in sight. The Board adjourned at 8:10AM without objection and chose to meet again May 18. Manager notes we will try to have the budget balanced before May 20, as she will be out the following week in preparation for a wedding.

Board schedules meeting for tomorrow 8AM in light of the technical issues encountered. Notice will immediately be sent out.
