So...below is what Jeremy sent me, and then what I got from GFL this morning:
30 yd Rolloff
Monthly rental $ 100.00/mth
Haul charge to cardboard facility $ 365.00/haul
$0 disposal if clean cardboard

One time delivery set up fee of $160.00

We could also place an 8yd cubic yard front end dumpster on site for cardboard and service that once a week for $ 170.20/mth
One 8 cubic yard cardboard dumpster serviced twice a week for $ 296.00/mth

This would also have a one time delivery set up fee of $ 160.00

Let me know if you want me to set something up for you.

Subject: Re: cost of cardboard

Thank you I did mention it to Norma as I met with her this morning. Below is what an average of 2.7 tons costs the county per trip

2.7 Tons of cardboard pays @ $40.00 a ton = $108
Fuel Cost 3.66/ gallon 157 miles @ 8 miles per gallon $71.82 Fuel
Driver 21.94 x 3 $65.82
.67/mile = 105.19

approx. $134.83 per trip on average.

It also depends on the payout of cardboard. I have seen it higher and other times at 0.00
