

Permit # _____

**TOWN OF ORIENTAL
APPLICATION FOR DRIVEWAY PERMIT
Please reference the Growth Management Ordinance, for complete details**

Driveways located anywhere along Broad St. need special permission from the NCDOT

Applicant: _____ Date: _____

Driveway Width (minimum nine (9) feet, max depending on use): _____ Driveway Location:

If driveway is to be paved, total percentage of lot area to be covered by surfaces impervious to water: _____

Driveway connection for: _____ Residence _____ Business

Drainage Culvert/Tile (required if ditch): _____ Cement _____ Steel _____ Plastic
(Note: Town requires NCDOT approved drain culvert with a minimum diameter of 15 inches where driveway crosses a Town drainage ditch.)

Will this driveway require cutting through a sidewalk? _____ (If yes, please reference the General Ordinance, Section - 5 Construction Requirements)

Sketch showing design and dimensions of driveway included: _____ (required)

Please consider this a request for _____ (name of person or business) to have a driveway constructed within the Town Limits of Oriental at the location specified above. I understand that the work must be accomplished according to all applicable North Carolina State Building Codes, and that the driveway shall not impede the flow of the Town's stormwater run-off drainage system. I further understand that if the work performed does not meet these requirements, fines may be levied until the necessary corrections are made.
