

Town of Oriental, NC  
Harbor Waterfronts Advisory Committee  
13 August 2020

Work Day

With the closing of Town Hall due to Covid-19 virus exposure/tests, the Harbor Waterfronts Advisory Committee held a work day in lieu of its regular meeting. Present at the work day were Lisa Thompson, Commissioner David White, Jim Blackerby, and Don McGuire. The group cleaned up the storm debris and trash around the areas of the Town docks and secured dock boards as needed

Respectfully submitted,

Lisa Thompson
