

Town of Oriental, NC  
Harbor Waterfronts Advisory Committee  
Report – 30 March 2017

Members of the Committee met on 30 March 2017 at 9AM at Town Dock #2. Members present were Lisa Thompson, Jim Blackerby and Art Tierney. Commissioner David White was also present.

The members worked on the following projects:

**Town Dock #1**

- Repainted bulkhead with red and yellow
- Took water depth measurements
- Took photographs for web page

**Town Dock #2**

- Painted/demarked pump-out area
- Took water depth measurements
- Took photographs for web page

**Dinghy Dock**

- Reattached loose decking
- Took water depth measurements
- Took photographs for web page

**Small Boat Dock**

- Took water depth measurements
- Took photographs for web page

The group worked on the projects until 12:15PM and greatly appreciate Commissioner White's assistance and painting skills.

Respectfully Submitted  
Lisa Thompson  
Chairman
