

Water Advisory Board
Meeting Agenda
Friday, December 13, 2024
Large Conference Room 9:00am

1. TRC Project Report - Second Draft. Review and Discuss. Will send out prior to the meeting.
2. Critical components of the Water Plant. Will discuss those items for inclusion in the Water Distribution Project.
3. Discuss pipe size(s) on the street end points in Dolphin Point and impact on pressure. Review for inclusion in the Water Distribution Project.
3. Update on the copper testing issue.

Please let me know if you would like to add an item to the Agenda.
